

Mission Conferences and GCBI Graduation

These past two months have been filled with lots of travel, a busy schedule, and non-stop blessings from the Lord. Finishing up the semester at the Westwood School of Missions, I turned to focus on the packed summer schedule. We were blessed with the opportunity to visit with the Burdette family in Pennsylvania and attend the mission conference at Lighthouse Baptist church in Walkersville, MD. I have been busily working on my dissertation for months, and was able to submit the finished work to graduate from Gulf Coast Baptist Institute with a Doctorate degree in Theology. After returning from the Thailand trip, Bro. Doug Wiersema and myself represented the School of Missions at Skyline Baptist Church in Madison, AL for a mission sending seminar.

Blessings in Thailand and Beyond

This month, I was able to visit the work in Udon Thani where great progress is being made. Eight professions of faith have been made there this year. The new A/C units have been installed in the auditorium and parsonage, and the classroom units have been serviced and are all working. I was privileged

to also visit my brother-in-law, David Vickers, at the work in Khon Kaen, and Pastor Santisook at Prawata Baptist Church in Nong Khai, Thailand. Bro. Doug and I then visited fellow believers in a limited access communist country where we had the opportunity to preach the gospel. I have been invited back to teach there in August. My dissertation was on the subject of missionary training, and will be published as a textbook this fall which will be used in the missionary training school. It is entitled "The Baptist Missionary Handbook."
