

Pray for the Jones Family

Danny, Rachel, Tara, Tiffany, & Laura

MAY 2021

THAILAND MISSIONS

I am hoping to return and begin building the dormitory for the seminary in Udon Thani as soon as possible. An anonymous donor has pledged to match any funds that come in up to \$15,000 towards this project. So far, \$2500 has been given. Would you or your church consider helping us with this endeavor? Pastor Pradit has reported that he and the students have been evangelizing in the village of Wang Sam Mo where 30 people accepted Christ. In April, the Udon Thani Baptist church hosted the annual youth camp with 90 in attendance. Five people were baptized at the church last month. Pray for the work in Thailand and consider helping us with the building project!

WESTWOOD SCHOOL OF MISSIONS

The Westwood School of Missions has purchased some new equipment that will be ready to record and broadcast our classes online in the Fall semester. We already have students who are signed up for on-campus classes next semester and others who will be attending online. Because of covid, the school did not have normal classes this year, but we are looking forward to reopening and are excited for the 2021-2022 school year!

Available this Summer

PERSONAL UPDATE

I would first like to give an update on my wife Rachel, and I want to thank everyone for your prayers concerning her health. She was finally able to see the specialist in dysautonomia in Clearwater, FL this month. The doctor gave a very positive prognosis, that with medication and rehab, she should be able to eventually regain most of her function, though this will be a slow process.

Tara, our oldest daughter got her driver's license and will be graduating High School this year. She is working as stage manager at the Winter Haven Theater to accrue volunteer hours for a scholarship. She has been a great asset in working as our broadcasting technician at the School of Missions and has helped me in the publication ministry also.

Tiffany, who is 14, is an aspiring graphics artist who has now published two books through the BTC publishing ministry. Laura, 11, is our little ballerina. I am proud of all my children as I watch them grow and serve the Lord.

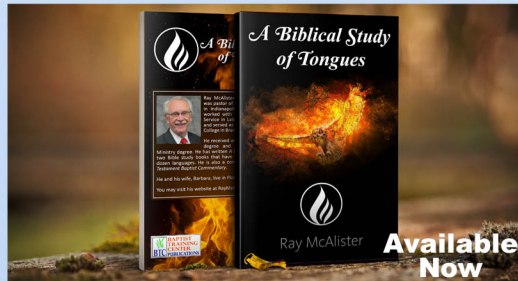

BAPTIST TRAINING CENTER PUBLICATIONS

Baptist Training Center Publications ministry continues to grow as I write, format, publish, print, and distribute Christian literature. This past month, I published a book by Dr. Ray McAlister entitled *A Biblical Study of Tongues*. I am in the process of formatting an upcoming book by Dr. Michael O'Neal entitled *Satan's Counterfeits*. All BTC Publications books can be purchased on Amazon.com and other online retailers.

Our major project: *The Garner-Howes Commentary of the Whole Bible* is now complete and can be downloaded for free on the Baptist Training Center Website, under "Resources." The commentary can be installed on e-Sword for PC and Mac, iPhones, iPads, and is also available for MySword for Android devices.

I am also working on co-authoring a book with George Garner and Jim Harris entitled *The Country Preacher's Almanac*.

BIBLICAL ARCHAEOLOGY MINISTRIES

A lifelong passion and personal hobby of collecting and identifying ancient Biblical coins and artifacts has opened a door of ministry as I have been able to preach seminars on Biblical Archaeology in churches and seminaries, as well as co-host an annual tour of the Holy Lands with Dr. Bobby Sparks. I will be preaching a seminar at Central Baptist Church in Lithia, FL May 20-22 at 6:30pm each night. The display of artifacts continues to add new pieces such as the Elamite battle axe pictured above (1200 BC) and an Egyptian Scarab with the royal seal of Thutmoses III (1400 BC), in which I recently translated the hieroglyphs. I have the opportunity of working alongside Dr. Scott Stripling and the Associates of Biblical Research at Tel Shiloh in Israel where we will be excavating the site of the Old Testament Tabernacle this July.
